Come to Eteri—you'll be welcome, you know."

RELIEVE SICKNESS THROUGH GLANDS SAYS SCIENTIST
Dr. Serge Voronoff, an international authority on glands, says: "The brain, the nerves, the muscles, as well as the liver, the kidneys and all other organs would be incapable of playing any useful part without the aid of the glands. The functioning of our organs is no more than the result of the activity of our glands, and when the bodily functioning is disturbed, the cause, in most cases should be sought, not in the condition of the organ itself but in the condition of the gland which controls it."

Glandogen, the new scientific gland tonic, which is prepared in convenient tablet form, for men and for women, provides a simple method of taking glandular treatment. Accept no substitutes. Insist on genuine Glandogen, the original gland tonic.
